What are cookies?

A cookie is a file that is downloaded onto a device when a user visits certain websites, platforms or applications, in order to store and retrieve information while the user accesses the content.

Cookies can serve a variety of purposes, such as recognising the user, gathering information about the user's browsing habits or personalising the way content is displayed to the user.

What cookies does this website use?

The specific cookies used on this website are described below:

FIRST-PARTY COOKIES

Cookie	Duration	Description	Type
_icl_current_admin_language	1 day	Stores the language of the administrator.	Technical
_icl_current_language	1 day	Stores the language of the user.	Technical

wp-settings-time-1	1 year	User interface customisation.	Technical

THIRD-PARTY COOKIES

Cookie	Duration	Description	Type
_ga	disabled when site is closed	Used to distinguish users. *You can read the privacy policy here.*	Analytics
_gid	disabled when site is closed	Used to store and update a unique value for each page visited. *You can read the privacy policy here.*	Analytics

You can consult the cookie policies of the third parties listed here to learn about any transfers they may make to third countries.

Personal data are considered to have been processed through cookies when the user has provided a name or email address that identifies them, or when they use unique identifiers that allow certain users to be distinguished from others and enable individual tracking. For more detailed information on the rights of users and the processing of their personal data through cookies on this website, please refer to the Privacy Policy here.

Acceptance, refusal and configuration of cookies

In accordance with current legislation, the technical cookies listed in the table, which allow the service requested by the user to be provided, will always be activated on the website and the user will therefore not have the option to accept, refuse or withdraw consent for them as indicated in the following sections.

As indicated in the previous section, you can consent to the use of all cookies on your device:

- *By clicking on the "ACCEPT COOKIES" button on the cookie banner available on this website; or*
- *By clicking the "ACCEPT ALL" button and then the "Save settings" button in the cookie settings on this website.*

In addition, as indicated in the previous section, you can withdraw your consent for the use of all the above cookies on your device:

- *By clicking on the "REJECT COOKIES" button on the cookie banner available on this website; or*
- *By clicking the "REJECT ALL" button and then the "Save settings" button in the cookie settings on this website.*

We also remind you that you can erase your browser's browsing history (including cookies) by following the options and instructions provided by your browser.

Please note that if you accept third-party cookies, you will need to delete them using the browser options or the system provided by the third party for this purpose.

For more information on how to allow, delete and/or manage the use of cookies, please visit:
